

REMARKS

Applicant's response includes a preliminary amendment that cancels non-selected claims 1-24 without prejudice and adds dependent claims 28 to 39 to more particularly point out and distinctly claim embodiments of the claimed invention. Claims 28 to 33 are dependent on claim 25, and claims 34 to 39 are dependent on claim 27, and do not require a new search. The new claims do not add new matter as summarized below:

Claims 28 and 34 supported for example by original claim 6

Claims 29 and 35 supported for example by original claim 6

Claims 30 and 36 supported for example on the middle of page 9

Claims 31 and 37 supported for example from p. 15 bottom to the top of p. 16

Claims 32 and 38 supported for example on the bottom of p. 15

Claims 33 and 39 supported for example on p.12, upper middle portion

Consideration of the amended claims and allowance are solicited.
